

Central Electricity Board (CEB)

COMMUNIQUÉ

CEB SOLAR PV SCHEME - ELECTRIC VEHICLES (EV) CHARGING OPTION - CONSIDERATION FOR PLUG-IN HYBRID ELECTRIC VEHICLES (PHEVs)

The **Central Electricity Board (CEB)** is pleased to inform its customers and the general public that, henceforth, owners of **Plug-In Hybrid Electric Vehicles (PHEVs)** will also be considered for applications under the above-mentioned Scheme.

An eligible CEB customer owning an electric vehicle (EV) can install a solar photovoltaic (PV) system not exceeding 10 kilowatts (kW) to charge his/her electric vehicle under this Scheme.

Interested customers are invited to take cognisance of the terms and conditions and to fill in and submit the relevant application form at one of CEB's Customer Service Centres. The application form and further information are available on CEB's website at **<https://ceb.mu>**
