## **COMMUNIQUÉ**

### **CEB RENEWABLE ENERGY SCHEMES - PAYMENT OF PROCESSING FEES**

We wish to inform all applicants for **CEB Renewable Energy (RE) Schemes** that the processing fees payable in respect of each RE scheme only cover the cost of processing the initial application.

Applicants who change supplier (installer) or equipment more than once will have to pay the processing fee anew. For further information on the processing fees to be paid, please visit CEB's website at <https://ceb.mu>

Applicants who have submitted their completed and signed connection contract are invited to proceed with the installation of their respective solar PV system. Thereafter, they have to notify the CEB to allow interconnection to the grid.

For more information, please contact the CEB SSDG Unit and/or the CEB MSDG Unit at **601 1100**.
