

# *Central Electricity Board (CEB)*

## **COMMUNIQUÉ**

**Launching of:**

### **CEB Medium-Scale Distributed Generation (MSDG) Renewable Energy (RE) Scheme**

Within the framework of the Renewable Energy Roadmap 2030, the CEB is hereby inviting its customers to express their interest for the setting up of Medium-Scale Distributed Generation (MSDG) Solar Photovoltaic (PV) projects under the **CEB MSDG RE Scheme**. Small-Scale Distributed Generation (SSDG) projects may also be considered.

This initiative is in line with the budget measure relating to the setting up of new Renewable Energy Generation Schemes to promote the generation of electricity from solar photovoltaic sources by small and medium scale power producers. It will contribute towards meeting the national target of generating 35% of our electricity from renewable sources by 2025.

All interested CEB customers are invited to take cognisance of the terms and conditions of the CEB MSDG RE Scheme and to fill in and submit the required **“CEB MEDIUM-SCALE DISTRIBUTED GENERATION (MSDG) EOI FORM”**. The Form and other information are available on CEB’s website at <https://ceb.mu>

For any further clarification, the CEB Strategic & Business Planning Unit may be contacted on 404-2038 / 2045.
