

Central Electricity Board (CEB)

COMMUNIQUÉ

REOPENING OF CEB GREENFIELD RENEWABLE ENERGY SCHEME FOR PUBLIC SECTOR ENTITIES (PSEs)

The **Central Electricity Board (CEB)** is pleased to inform Public Sector Entities (Government departments, local authorities, statutory bodies, Government-owned entities, Government-controlled entities, and any entity designated by the Government) of the reopening of the **CEB Greenfield Renewable Energy Scheme**.

At this stage, a total cumulative capacity of thirty (30) megawatts (MW) has been reallocated. The maximum capacity of a renewable energy project should not exceed fifteen (15) MW ac. Projects received in excess of the allocated capacity will be placed on a waiting list.

All existing terms and conditions of the CEB Greenfield Renewable Energy Scheme will remain unchanged.

Public Sector Entities wishing to participate in the Scheme are invited to download, fill in and submit the Proposed Project Prefeasibility Form as from 03 April 2023. The Proposed Project Prefeasibility Form and other relevant information on the Scheme can be downloaded from CEB's website at <http://ceb.mu>

The duly filled-in Form, together with all the required documents and a bank cheque for the payment of the processing fee, addressed to the CEB Renewable Energy and Strategic Projects Manager, should be deposited at the CEB Registry, CEB Corporate Office, Rue du Savoir, Cybercity, Ebène.

For further information, please contact the CEB Renewable Energy and Strategic Projects Department on 404 2000 or visit CEB's website at <http://ceb.mu>
