

Your Residential Supply Checklist !

Are you applying for a residential supply?

Then, please check if you have the following documents:

- National Identity card
- A copy of the title deed of the property where application for new supply is being made
- or
- A copy of a Lease Agreement, if you are a resident on State Land;
- or
- A copy of a transcription, if the land has been transcribed to you
- or
- A letter of authorisation from your landlord, if you are a tenant, as well as a copy of the landlord's title deed
- &
- Building and Land Use Permit for the said premises, wherever applicable, and
- A list of the declared electrical appliances to be connected in Watts or Kilowatts

If you do not have one or any of the above, please contact a Customer Service Officer of any CEB Customer Service Office!
