**Attention: All Bidders**

Dear Sir/Madam,

**CPB/56/2019: Design, Supply, Construction, Testing and Commissioning of Labyrinth Type Fuse-Gates at Sans Souci Dam (Mauritius)**  
**Addendum No. 4**

- I) We refer to sub-clause 4.1 (Contractor's General Obligation) of the Conditions of Particular Application of the above bidding document and wish to inform bidders that the following clause is being added:

For application and award of Building and Land Use Permit (BLUP), the Contractor shall submit to the Employer within four weeks from the Commencement Date, the fuse gate layouts on the spillway, structural and fixation drawings signed by a Civil Engineer registered with the Council of Registered Professional Engineers of Mauritius.

Note: If the Contractor does not fulfil the above requirements within the prescribed time frame, the Contractor will be fully responsible for any delays that would impact on the time of completion of the project and delay damages shall be applicable.

The Contractor shall clearly take into consideration and indicate inside its planning:

- The milestone "BLUP application", 4 weeks after the Commencement Date;
- The milestone "BLUP receipt", 6 weeks after the milestone for "BLUP application".

During the BLUP application period, the Contractor shall be allowed to undertake other site works (e.g. clay core raising, site preparations etc.) but no works shall be permitted on the spillway.

Bidders are hereby informed that the BLUP Guide, can be downloaded from the below mentioned website of the Ministry of Local Government & Outer Islands:  
(<https://la.govmu.org/downloads/BLP%20GUIDE.pdf>).

- II) In reference to the Sub-Clause 4.10 of the Conditions of Particular Application (Site Data), the following: Annulment of the amendment brought to the Conditions of Contract for Sub-Clause 4.10.

We hereby confirm annulment of the amendment brought to Sub-Clause 4.10 of the Conditions Particular Applications.

Yours faithfully,

**R. Chowdharry**  
**Supply Chain Manager**
